PROFILE

Aspiring Web Developer actively pursuing an Advanced Diploma in Software Engineering from Aptech and a Bachelor's in Islamic Studies & Computer Technology from the University of Karachi. I have foundational knowledge of HTML, CSS, JavaScript, and React JS, with hands-on practice through small personal projects. Eager to apply my skills in a professional environment, learn from experienced developers, and gain real-world experience through an internship opportunity. I am a fast learner, passionate about web technologies, and committed to continuous growth in the field of software development.
